# Hazardous Area Video Monitoring

*Improve efficiency. Increase safety.  
Eliminate guess work.*

**VIDEO MONITORING ATEX - ZONE 1 COMPLIANT**

**ROBUST & COMPACT**

**SINGLE CABLE SOLUTION**

**ADJUSTABLE ZOOM & IRIS**

**SIMPLE INSTALLATION & OPERATION**

*Full 360° tilt/turn/zoom option*

**Take a safer look.**

# Test Bay

*The perfect solution  
for workshop video  
inspection.*

*Designed for workshop  
and pressure test bay use.*

**IMPROVES SAFETY**

**FULL OR SPLIT SCREEN**

**CLEAR DISPLAY**

**SIMPLE TO INSTALL**

**SIMPLE OPERATION**

**DVR RECORDER**

**UP TO 4 CAMERAS**

**THE EZTEK'S 'SINGLE CABLE  
SOLUTION' ENABLES SIMPLE AND  
TIDY INSTALLATION.**

*Provides clear, accurate  
images, with simple pan,  
tilt and zoom controls*

*A safer look at pressure testing.*

# *Safeye Test Pit*

*Accurately pin-point  
pressure leaks.*

WATER AND OIL PROOF

MULTIPLE LED LAMPS  
FOR PITCH BLACK ILLUMINATION

RUGGED & ROBUST DESIGN

INDUSTRIAL STRENGTH LOCATING MAGNETS

UP TO 4 CAMERAS FOR MAXIMUM VERSATILITY

HIGH RESOLUTION FOR CRISP  
CLEAR PICTURE QUALITY

REDUCE TRAILING WIRES  
WITH OPTIONAL SATELLITE JUNCTION BOXES

*Electronic innovation for the oil and gas industry.*

# Hazardous Area TalkBack

*The complete solution  
for hazardous area  
communications*

**SIMPLE TO OPERATE**

**HANDS FREE REMOTE STATIONS**

**PUSH TO TALK MASTER**
